This banana leaf coffin is made from flexible and strong banana cord. A natural cord has been woven with a dyed cerise cord around a natural cane and light rattan framework, providing stability. Guaranteed to carry a weight of up to 23 stone. It is provided with a natural biodegradable waterproof liner and cotton liner. Fair Trade accredited and 100% biodegradable.

Please note

We do not provide the coffin with flowers – these are for illustrative purposes only. The coffin that you receive may not match the colour exactly of the coffin displayed on screen. Banana leaf is natural material and the colour tone may vary from harvest to harvest. Also your computer monitor may have different colour settings to ours.
All our coffins come with a bio-degradable waterproof lining and a second unbleached cosmetic cotton lining
